

The Day of Surgery

Wear loose, comfortable clothing that is big enough to accommodate a large bandage after surgery. Wear comfortable shoes such as slip-on, no high heels.

You will need to change into a surgical gown. Only cotton underwear can be worn.

Do not wear any jewelry (including body piercing), makeup or cologne. Do not bring any valuables with you.

Bring your drivers license and insurance cards with you. If your insurance company requires a co-pay, please bring some form of payment.

Wearing contact lenses is NOT advised. We provide containers for removable dentures and bridgework.

If your child is having surgery, feel free to bring a favorite stuffed animal or security blanket for added assurance.
